to the memory of

# Aileen Fearon

Aug. 30, 1996 - Jan. 6, 2013

"Aileen Fearon loved school at Enfield High and was unhappy when she couldn't attend due to her illness. She was a kind, smart, and witty girl who was also very shy. When you grew to know Aileen and became her friend, you had a friend forever. She always thought of others before herself, and she felt fortunate to have the things she needed around her.

She loved to laugh and enjoyed nothing more than to be amongst friends and family, watching movies, playing board games and having fun. Despite her illness, Aileen lived **a life full of love and optimism**, and she rarely complained. She is so greatly missed by her sister and her parents.

They ask that you think of her by saying hello in the hallways to someone you don't know. You never know, but it just might make that person's day and Aileen would be very proud!"

By QUINN KOSA

'Tis the end of the school year. However long or short it felt, it is here. It is time to thank yourself and others for a great year. A year where we explored, met new people, and much more. Now, think of a **high five** as a compliment, a thank-you, and a pat on the back.

**High five** to the freshman, for we were once them. Walking through the front doors with big eyes and excited nerves. They are the bottom of our chain.

**High five** to the sophomores as they hit a milestone, halfway through high school. They, who experienced an easy year.

**High five** to the juniors, who are beginning to think of their futures. Junior year is hard; for some, it's taking the SATs at least once, the realization of becoming a senior, the penultimate year.

**High five** to the teachers for being so committed to us by putting knowledge into our heads. They work as hard as us.

**High five** to the guidance counselors for helping us through high school, teaching us to persevere, and prepare for the future, the toughest part of life.

**High five** to the nurses for caring for us when we are in need.

**High five** to our secretaries for being so organized and welcoming.

**High five** to the vice principals for always smiling and being there to watch over us.

**High five** to our principal for his first year was a success.

**High five** to our food services crew for filling our bellies with energy.

**High five** to the custodians for making our school environment clean and inviting, ready and stocked.

**High five** to our security for making us feel so safe.

**High five** to our families, which includes our parents, friends, siblings, and neighbors for supporting us, guiding us, and helping us grow.

**High five** to the construction crew who is making our new, state-of-the-art school for the generations to come.

Finally, **High five** to us seniors for we have reached the end of our high school career. We have survived through the four years, preparing for the aftermath. Graduation beckons us and we greet it with a grin.

**High five** to everyone for we all deserve a thank-you every now and then.

To the Members of the Class of 2015,

It simply does not seem possible that you are at the end of your High School Career! It feels like yesterday that you came to EHS as freshmen. For some of you, I knew you when you were 7th graders at JFK. It has been a fast journey, but one that I hope was rewarding and beneficial to you. As my first year as Principal comes to a close at Enfield High School, you are about to embark on a new and exciting adventure. I am confident that we have given you the skills and knowledge to succeed in whatever path you choose.

Your class has seen the start of a major construction project here at EHS. As a class you handled the changes with dignity and maturity. As the oldest students in the school, you approached the many construction changes with a positive attitude and set the tone for the rest of the school. The underclassmen saw how positive you handled these changes and took your lead. For this, I am forever grateful.

I would like to offer your class some advice as you get ready to venture off into the “real world”:

- When a crisis looms, stay calm and keep your dignity. Something will always work out if you work hard enough and treat people the way you want to be treated.
- Don’t rush through life. Enjoy the simple pleasures of today.
- Take the time to say thank you. Whether someone held the door for you, promoted you at work, or gave you a gift, a thank you is always appreciated.
- You are graduating into a culture that is changing as fast as technology is produced. Keep in touch. Do not lose focus on the relationships that you formed these past four years.
- Finally, save your yearbook. In ten years, you’ll make a comparison. Some twenty years from now, you’ll laugh hard. By 2050, you’ll need it to remember. Through it all, you’ll love looking back on it.

I wish each and every one of you the very best! Please keep in the touch in the future.

Sincerely,  
Andrew Longey  
Principal

Dear Members of the Class of 2015:

It is a privilege to have the opportunity to write this message to you in your yearbook. Your high school graduation is one of many important milestones in your life. During your time in the Enfield Public Schools you have grown from young children to adults. You have been part of many experiences that have shaped you mind and prepared you what lies ahead.

Only your beliefs and dreams limit what lies ahead. Opportunities such as college study, military service and workforce careers will present each of you with many decisions and challenges. Whatever you choose, do it with passion -- dare to be great!

The entire Enfield community is proud of what you have accomplished. Collectively we know you will go on after high school and continue to learn and grow. We are confident that you have the knowledge and the skills to begin the next phase of your life. We thank you for the contributions you have made to make our schools great places to learn and we wish you the best in all your future endeavors.

Jeffrey A. Schumann, Ph.D.  
Superintendent of Schools

Dear Members of the Class of 2015:

I want to thank you for the privilege to write this message for ECHO. Graduation is an important milestone, but just one of many you will experience in your life. I hope you will take this opportunity to reflect on your experiences over the past thirteen years and realize how proud of yourself you should be for all that you have accomplished. Your Commencement ceremony is just a moment in time, but the relationships and lifelong friendships you have all gained by attending Enfield High School is a bond you will share with your classmates forever, and I hope you all continue to be great friends and classmates in coming years.

High School Graduation marks a significant accomplishment for you and your families, but also for your community. The Town of Enfield is extremely proud of the achievements you have accomplished, and your commencement ceremony is an opportunity for the entire community to honor you and the hard work you have all done.

Congratulations to you all. The Enfield Public Schools is extremely proud of you and we hope we have prepared you for a future filled with continued success.

Best wishes,  
Christopher J. Drezek  
Assistant Superintendent of Schools

## Ellen Frost, Guidance

Energetic is the first word that comes to mind when talking about this wife, mother of four, grandmother, teacher, and counselor!

When I first met this impressive woman, she was interviewing as a potential student teacher at Fermi, and her caring, personable nature was immediately apparent. Over the years, she has successfully juggled numerous responsibilities from chaperoning senior trips to Canada, to class advising, to appeals committee member, to a scholarship committee chair, to College Career Pathways coordinator, and also crisis team member.

As a counselor, she actively explored options and opportunities for her students. She has even narrowly avoided, shall we say "detention," while taking a photo of Taylor Swift's RI home for a cancer surviving student while on her vacation. Although away with her family, she was still in contact with this student and knew the photo would be greatly appreciated. Bringing a birthday cake to a foster child with a chaotic life was yet another way that she has gone above and beyond for her students.

Ellen has always strived to find creative solutions. To her, "no," only means, "let's think and see if another possibility exists." Ellen's mind is always working, making many night time notes, increasing her productivity. Whether a high school FACS teacher or counselor, Ellen has touched the hearts of many individuals. She is an inspiration, advocate, and truly one-of-a-kind!

May your retirement be the next chapter in more exciting endeavors!

## Denise Krusinski, World Languages

"A positive learning experience. A lot of fun. Gratifying. I would do it all over again!" This is the response you get when you ask Mrs. Krusinski about her career as an educator. She spent the last 40 years here at Enfield High School, and when interviewed, the Echo staff could sense the difficulty of the decision to retire. Over the years, she noticed some changes in education, such as its tendency to become more business-oriented; but, Denise Krusinski still loves the creativity in teaching.

She enjoys reaching out to her students, who come into her classroom each day; she feels particularly rewarded when she sees smiles on the faces of her students, followed by, "I like this class," or, "I like being here."

Mrs. Krusinski says she will miss being involved and plans to return as a sub; that way, she can still have an impact on students' lives, be a positive influence, and guide them to being fair, open, conscientious, and respectful young citizens. Aside from subbing, she is looking forward to spending time with her young grandchildren, doing some reading, and even some crafting!

All the best to you, Mrs. Krusinski!

## Kathy Fairley, Main Office

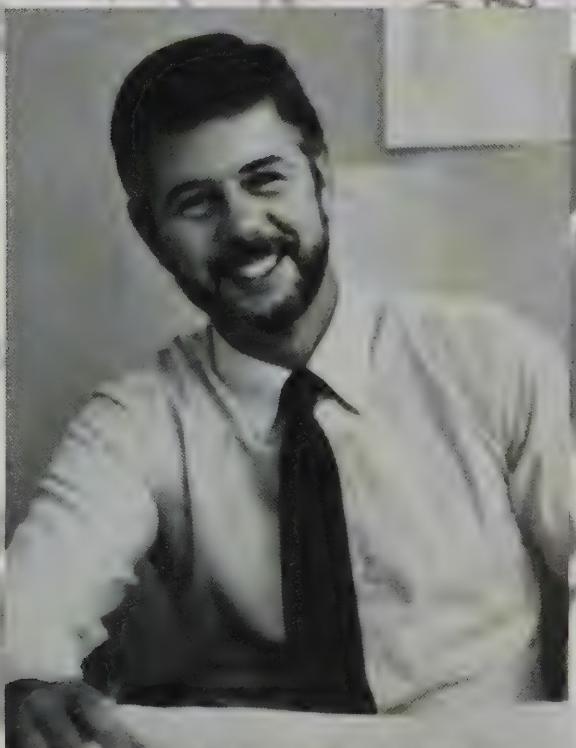

Mrs. Kathy Fairley retired in January 2015, and she is enjoying sunny Florida already! (Not that we can blame her!) Mrs. Fairley started her time at EHS in 1999 as an administrative secretary, and her kind, helpful nature will not be forgotten! She is reliable and considerate, and she also has a talent for seeing the big picture; this people-person had the knack for looking at a task or project with the unique ability to inherently know how to bring all the pieces together in a graceful way. This was undoubtedly evident in her professional career, but she is also known for having a real, "flair for fixing things up!" She could plan a party or event without any hesitation, and the guests would surely have a marvelous time. Mrs. Fairley's dry sense of humor and quick wit often graced the main office, and her flair for fun is already missed. Mrs. Anderson, when asked about her time working with Mrs. Fairley, revealed that she actually has known Mrs. Fairley since they were known in the Gourley Crowd "back in the day." This rowdy group grew into fine, successful adults, whose bonds remain strong!

Mrs. Fairley's absence is already felt, but it is easy to wish her luck in her retirement knowing she's in sunny Florida, cooking, and spending time with family and friends!

# #FLASHBLACK '86, '89, '94

With the construction all around us, it's easy to joke that 1986 might have been the last time we saw green grass at Enfield High, but can you spot any other differences between then and now?

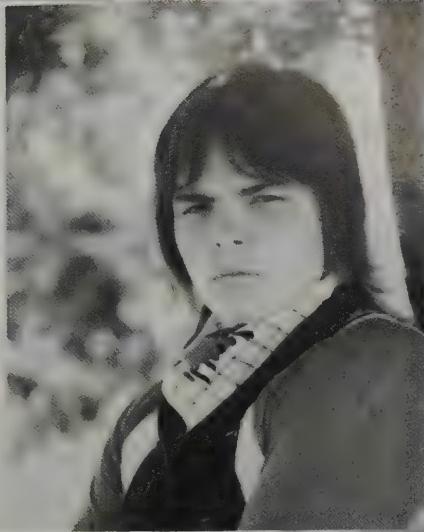

**ABOVE:** Mr. Girard might have retired, but he loved us so much he came back! He smiles for the ECHO Yearbook in 1989. **RIGHT:** It's hard to imagine that these ladies were on the cutting edge of fashion, but they were in 1986!

**TOP:** It took more than a few faculty members to confirm that this was what's now the "B" Corridor in 1986. **ABOVE:** EHS has quite a way of never letting go of its alumni! Mr. Crane's nickname in 1988 was "Biggs." We have the proof! **B BELOW:** You'll only need one guess to figure out which faculty member won Most Athletic in 1994.

Times sure have changed from the 80s. Gas prices have increased drastically, going from \$1.19 to over \$4.00 in recent years! (Thankfully, it's now about \$2.30.) The parachute pants and knee high socks of our parents' generation have become skinny jeans and Uggs. Some things, however, remain unchanged. We still wear the Nike brand, Coke and McDonalds are still big in this era today and MTV not only plays music but features shows too. The top songs in 1985 were "Everybody Wants To Rule The World" by Tears for Fears and "Take On Me" by A-ha. In 2015 the top songs are "Blank Space" by Taylor Swift and "Animals" by Maroon 5.

Even though life may have been a little different back then, we still had some pretty great people in our Enfield High Community. Check out this blast from the past!

## Student Government

What a great year! After a few years without a student government, a group of core members created a new constitution and organized elections for class officers. This year, the organization met with Fermi to brainstorm ways to help prepare the student body for the consolidation of the two high schools. The group also planned events to improve school climate such as a volleyball tournament, a 3v3 basketball tournament and an open-mic café night.

# Yearbook Committee

The 2014-2015 Yearbook Squad started right away in September with planning and developing this yearbook. Many may not realize the amount of time it takes to complete this publication! From layout and design, to gathering photos of sports, clubs, activities, and other groups to organizing portraits of all the students and faculty, this group had their work cut out for them! After deciding on a theme - a combination of the Friends of Rachel Club's Chain Reaction model and Twitter's hashtag craze - Sarah Tracey created a cover design. We submitted pages throughout the year, reaching most of our deadlines... at first. But like so much of southern New England, the trend of Monday snow storms delayed more than just school! This group put special attention, dug in, and made it work! We are pleased with the outcome and hope you are, too!

Special thanks to our "guest" members who came to help with specific portions!

@FOREHS

# Friends of Rachel

One event we hosted was the **pancake breakfast** where there were free pancakes, face painting and crafts for the public. We also took a group of kids over to the senior center to help them learn how to use new technology. We had the opportunity to participate in some of their Friday afternoon activities which was a really great time!

Another event the FOR club hosted is the **Kindness Carnival**. Kids from all over the town get to come and play games, eat food, and jump in a bounce house. An event we hosted at our own school was the **Fan Tunnel**. While students came into the school in the morning, we cheered them on, giving high fives with music playing behind them. We saw so many big smiles that morning, it was really a great time for all of us. We also hosted a **Frozen Movie Night** where there were students dressed up as *Frozen* characters. There was food, face painting, and snowman-building contests. Another big project that we did was **mentoring**. We would go to an elementary school and teach them basic principals of how to better yourself to make an impact in the community. One particularly proud moment for our group was the pancake breakfast. We had a lot more people attend this year than we did last year, including the mayor. The event was a big success for us, and we even made it on the Enfield Patch. The big impact that we made on the community is what made this event such a proud moment for us.

"I have this theory that if one person can go out of their way to show compassion, then it will start a chain reaction of the same. People will never know how far a little kindness can go."

*Friends of Rachel is an educational program that immortalizes the lessons of kindness and celebrates the memory of Rachel Joy Scott, whose life was first taken in the 1999 Columbine shooting. The 17 year-old writings left us with messages that focus on togetherness and compassion.*

**Some of the student leaders of the group were: Hannah Lempitsky, Kyle Lumbert, Olivia Caronna, Samantha Dumas, Jordan Fritz, Mackenzie Lawler, Lauren Shanely, and Sarah Williams.**

**A group of students that we affected was the second graders that we mentored. We taught them lessons that will help them succeed in life and make an impact on the world. These topics of these lessons included friendship, responsibility, and kindness.**

The Friends of Rachel Club would like to thank Enterprise Rent-a-Car for a \$1,000 donation to the EHS Chapter!

**"...people will never know how far a little kindness can go"**  
- Rachel Joy Scott

Rachel's Challenge FOR club has been a great opportunity for students to come together to make an impact in our school and in the community.

# Relay For Life

## #BEATINGCANCER

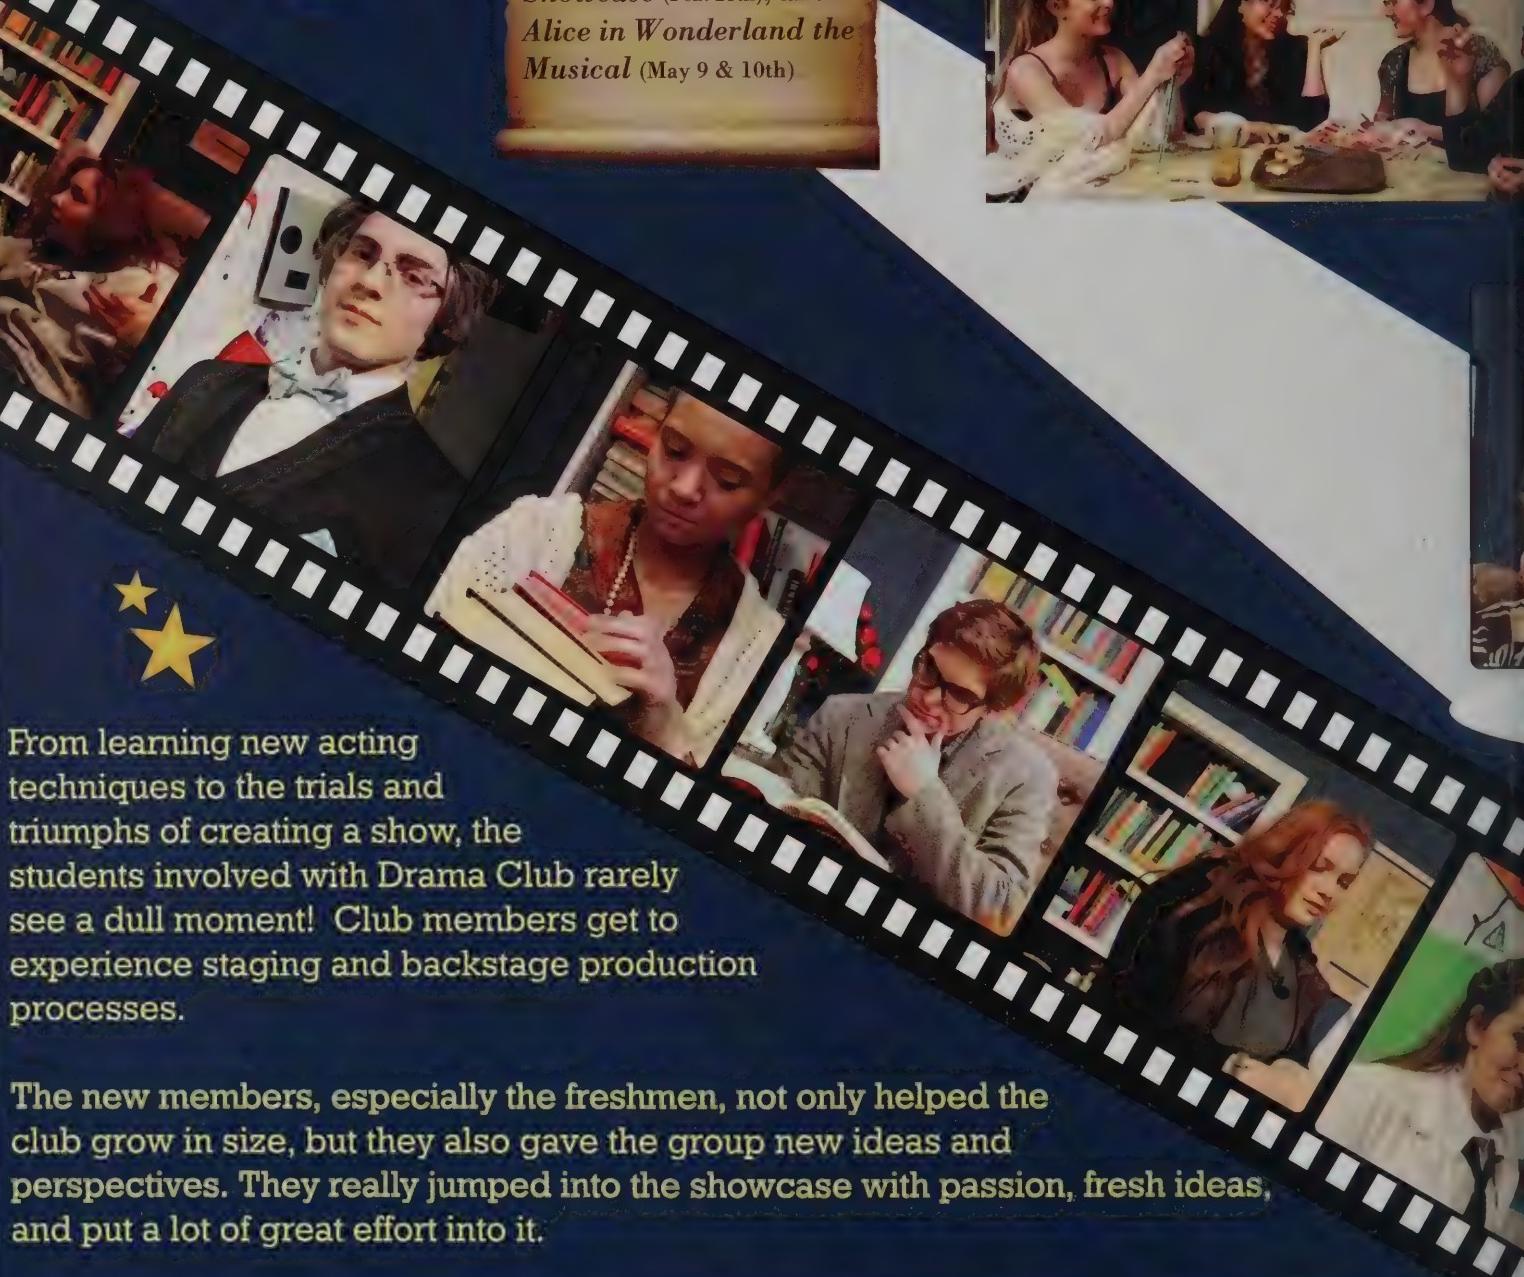

Each year, more than 4 million people in over 20 countries raise much-needed funds and awareness to **save lives from cancer** through the Relay for Life Movement. Enfield High School has a team that is part of that **movement**. Throughout the year, students participate in fundraising activities culminating in a 24 hour Relay for Life event in June. Students can be seen selling baked goods at local supermarkets, participating in pajama and hat days, selling t-shirts or getting some exercise at a Zumba for Life night. Last year, the **team raised over \$6000** and, under the *leadership* of captains Jessica Miller and Lauren Shanley, the team has a *goal of raising \$7000* this year. The **Commitment** and **dedication** of team members will only help to fund research to end this deadly disease.

From learning new acting techniques to the trials and triumphs of creating a show, the students involved with Drama Club rarely see a dull moment! Club members get to experience staging and backstage production processes.

The new members, especially the freshmen, not only helped the club grow in size, but they also gave the group new ideas and perspectives. They really jumped into the showcase with passion, fresh ideas, and put a lot of great effort into it.

This club is fantastic because it helps grow its members' confidence. Sydney Chesworth, when interviewed, stated she had to step up at times, so being a part of this club was a maturing experience.

# #Creativity

The 2014-2015 Art Club undertook several projects that focused on student-centered art experiences, and they used student interests to guide them. Art Club created the centerpieces for Prom as well as large-scale cooperative murals!

At the time of publishing, the Art Club is particularly looking forward to their art show on March 27th-March 28th, which will have a focus on sculpture, especially miniatures.

When asked what makes art club so much fun? The response was "the creative individuals who express themselves here." Thank you, Art Club, for your creativity and expression!

# #DECA

The EHS Chapter of DECA has hosted and participated in several events that challenged the students personally and as a team. One example was the ropes challenge where students from both EHS and FERMI DECA worked in teams to complete the course. Many students overcame their own fears and pushed themselves to new limits while encouraging words came from their team members.

EHS DECA is very community oriented. The Power Puff Football game generated dollars that were donated to the Enfield Food Shelf while the Masquerade Ball proceeds serviced the Loaves and Fishes Soup Kitchen. Many of our students also donate their time to Loaves and Fishes on a weekly basis.

The 2015 DECA Challenge allowed Enfield High marketing students to demonstrate their creativity by competing against FERMI students in creating a useful product constructed from newspaper. Our paper tent won third place in the event. Using a bag of mystery materials and their marketing knowledge, students will be developing a workable product during the month of March.

On February 17, 25 new members were inducted into the Enfield Chapter of DECA. It is the hope of the Chapter to keep growing and teach students how to be responsible adults in both the social and corporate worlds.

# EHS Construction

## #BuildingtheFuture

According to an article appearing in the August 23, 2014 edition of the Hartford Courant, "Existing structures will be treated as 'Renovate as New.' This means that all existing portions of the school remaining when construction is complete will have been updated and the school will be 100-percent compliant with all applicable codes."

The largest addition to the school, the Enrico Fermi STEAM wing, will host combined classrooms and modernized laboratories with the latest technologies. A new cafeteria will feature state-of-the-art kitchen facilities, and the gymnasium will seat 1,600 people with updated health, cardio, and other fitness facilities.

What started as a muddy hole in the ground grew to into an iron structure with remarkable quickness. Students have taken interest in the process, as evidenced by their curious eyes at the windows of many classrooms and comments about how fast the structure has come to life.

(Above) A foggy morning hid the school building, leaving the crane exposed and reaching for the sky.

(Below) Students sign the last I-Beam to be installed into the new Enrico Fermi STEAM wing.

(Above) A panoramic photo shows the arm of an extending cement truck pouring cement into the floors of the Enrico Fermi STEAM wing and the adjacent 3rd floor class room (A302).

Construction began in the Summer of 2014 and was underway by the start of the new school year.

(Above) This hunk of concrete, dating back to the 1800s, may confirm an old rumor that a time capsule was buried near EHS. "1843-1943" seems to be etched into the side of the block, and a warning, "Do Not Open Until 2043" leaves this mystery up to debate.

The Fermi STEAM wing is expected to be completed by October 2015.

**Captains:**

**Sam Wentworth, Megan Rund, Farhiyo Aden, and Connor Shannahan**

The 2014 Cross Country season was its best season ever under 5th-year coach, Mr. Barnes. On the Boys' side, we had 11 committed runners who came to practice every day with the express purpose of getting better. The team finished 10th out of the 15-team conference, and the outlook for next season looks even better. With no one graduating this year, the team is expected to improve and place inside the top half of the NCCC conference next season. Special shout-out to our team captains - Sam Wentworth and Conner 'The Slick' Shannahan - for putting in the work and making this season most memorable.

The highlight of the season was beating East Granby at the Avon High School course when 4 runners - Connor Shannahan, Chris Tweeddale, Matt 'The Tiger' Legere, and Ryan Radziewicz - ran the course in under 20 minutes!

On the girls' side, the team only had enough runners for one meet. That meet was at Strafford High School, where the girls finished 2nd out of 4 teams! The team was led by Megan Rund and Farhiyo Aden. Farhiyo finished 3rd in the NCCC conference meet and was named All Conference. She was named to the All-State team for Class SS when she finished 8th overall in her class! Although both girls will be graduating, Madi "The Owl" Howell, Catie Thomas, and Nadeen Hammad will anchor the team that is looking to qualify and score in all races next season.

## Senior Captains:

Mackenzie Lawler, Hannah Lempitsky and Rachel Koblosh

The overall season went very well, even though we were small in numbers. We successfully made it all the way to the first round of states. Scorers throughout the season were Jess Maier, Taylor Geaglone, Rachel Koblosh and McKayla Weaver. We also had a strong defense led by Hannah Lempitsky and senior goalie Brianna Deschenes. The captains this season were Rachel Koblosh, Hannah Lempitsky and Mackenzie Lawler. Although our team will be losing eight seniors and may be small in numbers for the upcoming season, the incoming and returning young talent will keep the team moving forward. Our team made bonds on and off the field that we will never forget. We always worked hard at practices and it reflected on the field during every game. This season we all learned how important team work is and how we can all rely on each other when we all need help. But most importantly, we learned how much hard work pays off and how when we all put in effort we will get big results. All of these things helped us to win games and to be successful throughout the hockey season.

"The 2014 season may not have gone as well as we had hoped, but it didn't pass without learning some lessons. We ended with a 3-8 season.

"After all the sadness, blood and injuries, we still managed to be the very first Enfield High School football team to beat Coventry high school."

Raider pride is seen all over the faces of players, fans, parents, athletes, classmates, and administrators alike!

# Boys Soccer

Although we didn't make the state tournament this year, we had a great season with a record of 5-10-1. Key highlights during this season include Ant Romei's four goals against Bolton for the win in the first game of the year, Will Lloyd's snipe to the top right corner against Ellington. Captains this year were Ant Romei, Mike Knapp, Austin Glidden, and Will Lloyd. The captains led the team well as a whole. We are losing a total of 11 seniors this year. The prospects for next year will be able to lead the team to the state tournament with ease. The team has learned valuable lessons such as good communication, hard work pays off, good teamwork and to always take the water jugs up.

# SWIMMING

The 2014-2015 Swim Team found success in their wins and losses. Megan Phillips (Enrico Fermi High School) and Emily Roche (Somers High School) led the team, helping the group realize a few important lessons. Among those were to work hard no matter what and stay positive. Over 30 athletes made their best times, and six of the swimmers made it to states! In other words, this group kept their heads above water, and it paid off! Meagan Maloney and Lizzie Bridges swam for Enfield High School.

# Girls' Soccer

"The seniors contributed to the winning record by being leaders on and off the field. From training hard in the off season to putting solid dedication in practice day in and day out. Our season highlight was winning the first round of the tournament 8-0 and making it to the second round, scoring 2 goals against Suffield. Also, we won against Coventry in the freezing cold rain/snow. Every day was exciting with this group of ladies. We worked hard and played hard together as a team. We learned that hard work beats talent when talent doesn't work hard. We learned good things happen when we play together. We are losing a tremendous amount of seniors this year, however we have a talented group of underclassmen that are hungry to win. I'm looking forward to the upcoming season and the athletic group of young ladies that will be returning to play."

-Coach Ashley Hurley

"This season, we realized that hard work pays off. This was our best season yet. We made it to the second round of states which was a historical moment in our school for girls' soccer."

# Girls' Volleyball

This season, the girls significantly improved as individuals and as a team! They ended their season with a record of 3-17, an improvement from the previous season.

The captain was senior Jordan Fritz who motivated the team to work their hardest and to strive for success. She **never gave up** on the team despite difficult times and made every girl a part of the **team**.

The graduating seniors of 2015 include: Jordan Fritz, Marissa Bedard, Bridget Mott, and Brooke Ewing. Although we may be losing vital players of the team, we hope to continue our **SUCCESS** into the next season.

**Top Row:** Coach Belisle, Tori Rugani, Ashley Egli, Erika Murphy, Miranda Lee, Coach Ufland. **Middle row:** Taylor O'Connell, Bridget Leahy, Haley DeMarino, Rachel Vining, Katie Labbe, Sarah Pelletier. **Bottom row:** Bridget Mott, Brooke Ewing, Jordan Fritz, Marissa Bedard.

# Boys Basketball

**Varsity Basketball - Front Row:** Anthony Jimenez, Matt Souvigney, Boomer Romano, Ra Preston, Kendrick Haynes and Jake Ferrato.

**Middle Row:** Justin Rankin, Mason Dumas, Sergio Deleon, Youseff Elsapak, Nico Romano, Ryan Radziewicz and Nana Amoabeng.

**Back Row:** Coach McGuire, Coach Romano, Dillon Desouza, Kumar Brown, Jaylin Kholer, Chase Kaupin, Syrus Osbourne, Coach Follo and Coach Zalucki.

After a 3-17 season last year, the boys basketball team turned it around and finished with an 11-9 record during the regular season. They made it to the first round of the conference and state tournaments. It was a big season for Ra Preston, scoring his 1000th career point and making the all-state team. Preston and Boomer Romano led the team as captains for the 2014-2015 season. The captains led by example, working very hard this season. The basketball team is losing four seniors including Preston, Romano, Matt Souvigney and Kendrick Haynes. Next year is looking very promising for the team as a lot of core pieces like Ant Jimenez, Kumar Brown, Jake Ferrato, Youseff Elsapak and Joe Roberts will lead the way.

The Raider ladies beat the undefeated Canton team in their own gym and reached the Class M Final Four for the first time since 2002, and the second time in EHS history. The ladies had a 12 game winning streak!

**Overall Record: 20-7**

Captains Hannah Lempitsky and Olivia Caronna led the team by trying to keep everyone positive, even after a tough loss. They did an especially great job communicating the team goals and keeping the team focused.

# #SeasonSuccess

## #LessonsLearned

This year, we learned how to use each other and play together. Nothing comes easy, and teamwork is the only way to get things done!

Setting high goals is the only way to go.

We will miss seniors Tina Leonardo, Olivia Caronna, and Hannah Lempitksy. Also, managers Sarah Williams and Briana Deschenes leave big shoes to fill. These seniors came in and helped change the program. Their freshmen year, they helped break a losing streak of 60+ games to now being one of the top teams in the state! Next year's prospects will continue up this ladder of success.

# ICE HC

The overall 2014-2015 season was a success for the Enfield Ice Hockey team! They were the CCC South Playoff Champions and placed third (out of six) in the CCC Conference for the regular season. The team qualified for the Division II State Tournament!

As a co-op program, the team captain was not an EHS student, but fans might see captain-like leadership throughout the team's members. Coach Genovese reports that while they are losing four seniors who played a huge role in their

success, they are looking forward to the next crop of seniors to step in and fill the void. Good luck to the seniors!

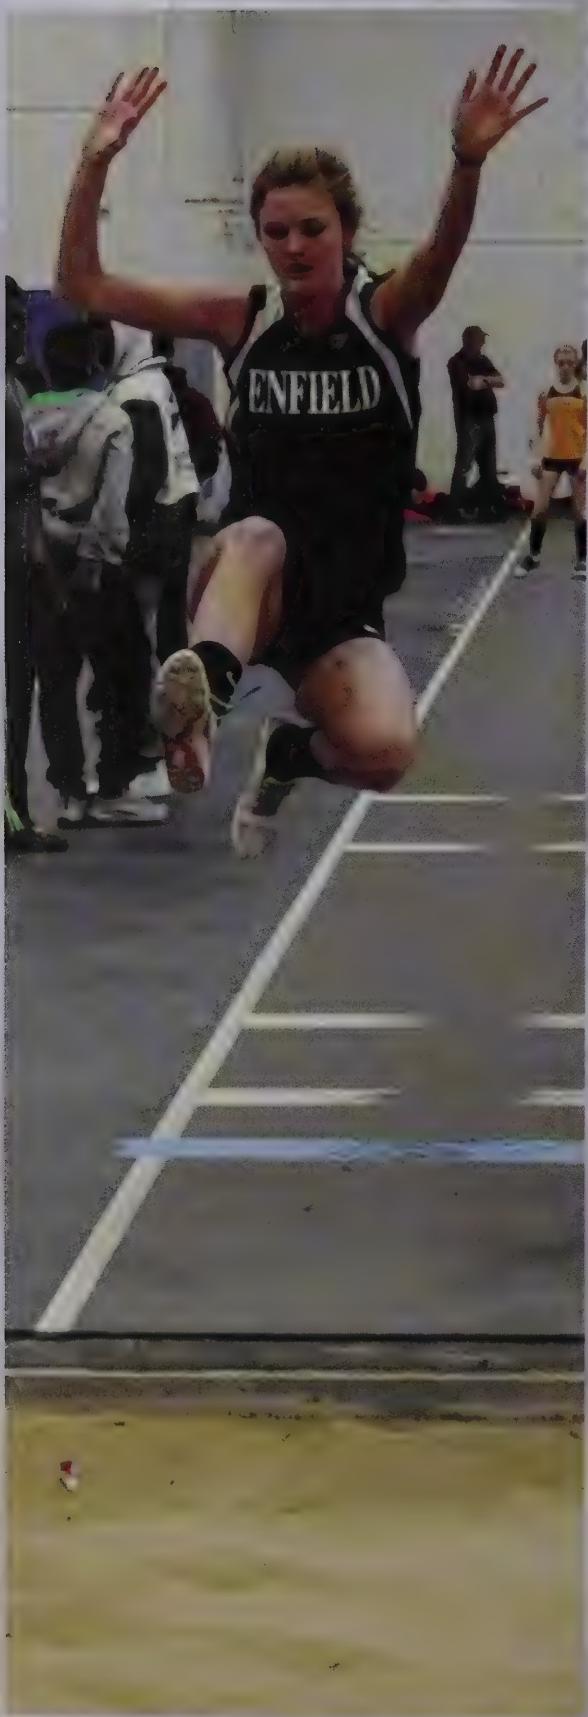

This year, the team learned what it takes to win. Through discipline and hard work, they earned the Conference Championship. At the start of the season, not many people were considering them to win, but the lesson was learned well!

**Varsity Team -- Front Row:** Jake Oullette, Ryan Monro, Sam Roy, Ryan Gothers, Troy Marin and Mason Hoit.  
**Second Row:** Head Coach Frank Genovese, Managers Anna Taylor and Kayla Despard, Matt Votta, Justin Carey, Cam Gaylor, Alex Hacia, Joey Partridge, Jason Marin, Manager Megan Gifford, Assistant Coaches Kyle Fijalkowski and Zach Nolan. **Third Row:** Andrew Crane, Thomas Vose, Zak Magyar, Kyle Merrick, Tyler Cowee and Anthony Pasquarelli.

**Captains:** Tyrik Henry, Abigail Litrenta, Connor Shannahan

# #Victory

In the conference, EHS Wrestling was 6-3. The season went very well, with improvements seen in the returning players. The freshmen shined, too! Many players placed in the conference; Brandyn Bass placed 1st, Samson Weiner was 2nd, Treavon Fort, Joe Flemming, and Enrique Meja all found themselves in 3rd place.

Captain Ryan Booth encouraged everyone on the sidelines as well as on the mat, leading by example and bonding the team.
